

TACT PRO

BKS

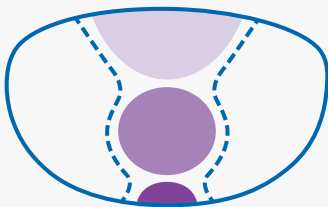

**Indoor Clarity Redefined:
Where Precision
Meets Comfort.**

HOYA

Tact™ Pro BKS® is designed for computer users and wearers who perform visually-intense work or hobbies.

Tact™ Pro BKS® 20

Emphasis is primarily focused on distance & intermediate viewing zones such as office or classroom settings. Minimal near zone.

Tact™ Pro BKS® 40

The priority is focused on the intermediate, then near viewing zones. Ideal for desktop computer use or activities at a similar distance.

Tact™ Pro BKS® 60

The primary focus is on near, then intermediate viewing zones. Well suited for laptop, smartphone and reading use.

Viewing Areas:

 Distance  Intermediate  Near
